## SMART COLLECTION – KVERNELAND

## THE KVERNELAND SMART COLLECTION

Wear your brand as a proud ambassador of Kverneland; with high quality clothing from the Smart Collection. This collection of branded wear has been created to increase brand awareness and recognition.

It consists of custom-made, modern and standardised clothing to reinforce the identity and values of our brand.

The collection is aligned with our existing brand guidelines, and developed to give our employees high quality, professional wear when facing our partners and customers.

The Smart Collection will make you look professional in any kind of setting, from casual to formal, in cold or warm weather. Be sure to follow the dress-code presented below.

### **KVERNELAND BRAND**

Representation by KvG employees, importers, dealers, customers and end-users

The product branded Smart Collection is made specifically for Kverneland employees, importers, dealers and end-users. The collection is designed with the purpose of promoting the product brand Kverneland. The clothing from this collection should be worn at business arenas where you represent or relate to the product brand *Kverneland* only.

Examples of such business arenas are Kverneland outdoor exhibitions, trainings, field days, demonstrations and similar events.

The Smart Collection - Kverneland can be used by, sold and distributed to end-users. It can also be sold as Fanshop products. It can not be used for representation of (or in relation to) Kubota, Great Plains or Kverneland Group.
